

Sponsorship

Endometriosis Awareness Month MARCH 2022

Endometriosis New Zealand provides critical support to women, girls, and those assigned female at birth who are living with endometriosis nationally.

This debilitating disease which affects more than 130,000 is life-changing for sufferers and for their families, chronic symptoms taking an average of 8 years to receive a diagnosis and resulting in a third of women experiencing fertility problems.

Today we are reaching out to you and other like-minded community-focused businesses for your involvement and support of the important work we do by becoming an Endometriosis Awareness Month corporate sponsor.

Endometriosis Awareness Month takes place across the globe in March with a mission to raise the profile of a disease that affects an estimated 200 million worldwide.

Your sponsorship will enable Endometriosis New Zealand to continue to provide essential help to the thousands of people living with this common inflammatory disease and ensure our organisation can keep engaging with stakeholders across all sectors to improve health outcomes.

| \$500 GOLD Differentiators | \$1000 DIAMOND Influencers | \$5000 PLATINUM Game Changers | Your sponsorship benefits |
